

2021 Westville Pumpkin Festival

October 2nd

The Westville Pumpkin Festival has been in existence since 1990 and Westville Tri Kappa is currently the sole operator. Tri Kappa is a philanthropic organization in the State of Indiana that promotes Charity, Culture and Education. The Westville Chapter has been in existence since 1968 and has provided \$290,000 in financial support to people and organizations in our community and state.

The festival is the largest annual fundraiser for our community. Your sponsorship will assist with the operational expenses needed to ensure the festival has continued success and is enjoyed by those in attendance. A successful festival will have a very positive impact on our community! We will truly appreciate your support of the Westville Pumpkin Festival.
